**INVESTMENT
GUIDE 2017**

Dear Viewer,

Thank you for your interest in Surindera Studios. I would like to take this opportunity to tell you a little about me.

I have captured countless Weddings over the years, and have won several prestigious International Wedding Photography and Videography awards, so you are in safe hands with me and my team.

My style is Photojournalistic/Reportage capturing your special day as it unfolds naturally, I also specialise in Fine Art dramatic portraiture.

Whatever your requirements are, we will work closely with you to make sure that your day is beautifully documented, to relive those moments for years and generations to come.

I'll let our work speak for itself,

Shaminder Dalrai
